Weimaraner Erinnerungsbuch ~1897-1997

Memories of the Centenary Celebrations

A special book for your collection

by Deborah G. Andrews

The Weimaraner Celebrates 100 Years

This book will be an exciting addition for the Weimaraner Klub e.V. Archives. It details the celebrations surrounding the historic 100 year Jubilee held in and around the classical city of Weimar, Germany 1997, plus more!!!

I have been compiling the memory book with Cassandra Sappington, graphic designer from Great Falls – Montana, during the past five years. The 'yearbook' style layout utilizes our numerous photo and graphic contributions.

The book features bilingual text in German and English, appearing in parallel columnar fashion, and many beautiful photographs for you to enjoy.

I especially wish to recognize Brigitta Guggolz and Gerhard Eiben for their unceasing endeavors to secure necessary permissions, statements, documents and translations leading to the completion of this collector's keepsake. The diligence and dedicated efforts of Brigitta and associates assured a successful German translation for the manuscript.

Besonderen Dank schulde ich Brigitta Guggolz und Gerhard Eiben für ihre unermüdlichen Bemühungen, erforderliche Genehmigungen, Unterlagen, Anträge und Übersetzungen herbeizuschaffen, ohne die diese Sammlung nicht hätte fertiggestellt werden können.
